

EURO IFMS Roadside Recovery

EURO IFMS BULLETIN FPMR G-207b

AVIATION, TRANSPORTATION, AND MOTOR VEHICLES

TO: IFMS Customer Agencies

SUBJECT: EURO IFMS fleet vehicle roadside recovery bulletin

1. Purpose. This bulletin provides a listing of EURO IFMS roadside recovery vendors.
2. Applicability. This bulletin applies to EURO IFMS Fleet vehicles operated in Europe.
3. Effective date. This bulletin is effective 21 July 2017.
4. Expiration date. Valid until superseded.
5. Emergency Repair or Towing. For an after-hours emergency, the vehicle operator may authorize a repair or towing up to the amount of 500 Euros. The agency must notify the Fleet Management Center and the Accident Management Center (DSN 420-6145 or civilian 0711-8196145) or the Maintenance Control Center (DSN 420-6142/4 or civilian 0711-8196142/4) the next business day to report the repair or tow. In Belgium or Holland, the contact number is DSN 361-6085 or civilian 0682-76085 and in Italy it is DSN 633-8276 or civilian 050-548276.
6. For more information on roadside recovery or the EURO IFMS Fleet program, please contact your servicing Fleet Service Representative.

JAMES J. WAPELHORST
GSA European Fleet Manager
