

# USAREUR License Renewal

Is your USAREUR license about to expire? Is it within 60 days before or up to 1 year past expiration?

Visit your local DTTS, apply for a renewal, and pay the \$20 fee.

You will receive a temporary 60-day license. Your new, permanent license will be mailed to your CMR box.

If over 1 year past expiration date, you must retest and apply for a new license. Contact your local DTTS for details.

***NOTE: the 1 year grace period past expiration is for renewal purposes only.***

***You **cannot** drive if your license is expired!!!***

***NOTE: motorcyclists must have proof of valid MSF course completion not older than 5 years.***

***NOTE: you still must possess a valid ID card and valid Stateside driver's license.***
