

USAREUR License Replacement

Did you lose your license? Is your license damaged or otherwise unreadable?

If your license is **older** than 3 years you must:

- Complete an application (at your local DTTS office)
- Pay the \$20 fee

Normally, the replacement license will have the original expiration date

If your license is **less** than 3 years old you can do one of 2 things:

- 1.** Apply for replacement at no cost and receive a license with the original expiration date.
- 2.** Apply for a replacement, take an eye test and pay the \$20 fee to receive a new license that is valid for 5 years.

NOTE: you must possess a valid ID card and valid Stateside driver's license.
